La musica hip hop, anche nota come hip hop o musica rap, è un genere musicale nato negli Stati Uniti d'America negli anni settanta, caratterizzato da musica ritmica stilizzata che comunemente accompagna il rapping, un discorso ritmato e pronunciato in rima. Il rap già era praticato in una forma molto rudimentale, ma da quando è diventato una delle discipline fatte proprie dall'hip hop ...

G7 Acetabular System - Zimmer Biomet

Hip hop or hip-hop is a culture and art movement that was created by African Americans, Latino Americans and Caribbean Americans in the Bronx, New York City. The origin of the name is often disputed. It is also argued as to whether hip hop started in the South or West Bronx. While the term hip hop is often used to refer exclusively to hip hop music (including rap), hip hop is characterized by ...
