Deutz Engines - Diesel Parts Direct

The air cooled Deutz's (912-913 series being the most common) are noisier than an oil or water cooled one due to no jackets. They are tanks though, and will run forever when maintained properly. The oil cooled ones (1011 series most common) had some

Download Ebook Deutz Air Cooled Diesel Engines

issues early on, mostly timing belts and head gaskets, but in the long run have proven themselves to be a pretty good engine.

Deutz Parts - Air Cooled Diesel

Deutz-powered air-cooled machines are well-suited for many applications since they cannot freeze or boil-over during normal operation. Deutz also manufactures oil-
