Library and Archive | British Museum

Digital exhibits such as these offer unprecedented access to organizational treasures that might never be seen otherwise except by those with local physical access to the museum or library. A new breed of open-source and free software tools has recently emerged making it possible to catalog and manage digital collections and create robust narratives and layouts for display online.

Jim Halpin, Computer Consultant and CPA

The Museum Archives Section newsletter is available online in the Resources section of the Canadian Heritage Information Network's website at www.chin.gc.ca. There has been a strong museum archives initiative, in the last fifteen or so years, supported by the National Historical Publications and Records Commission, and I would venture that many, if not most, sizable art museums now have an ...
