### **Leadership and the New Science: Discovering Order in a ...**

Leadership and The New Science Is there a simpler way to manage complex organizations in this turbulent business environment where chaos prevails? Dr. Margaret J. Wheatley is sure of it. Learn how to see organizational life from a brand new point of view.

### **Leadership and the New Science - Margaret J. Wheatley**

Leadership and the New Science is in my top five books of all time. I've read it several times over the last decade. Reading it for the first time was a validating experience for me. I had always felt I was a misfit for not buying into what I can now term as, "the newtonian" philosophies of other business owners.
