Piloting Palm : the inside story of Palm, Handspring, and ...

Finally, while Piloting Palm does a generally great job telling the story of Palm through 2002, there was of course still a lot more to tell. Palm would continue to be a major player in the mobile industry for another half a decade, and ultimately the two companies founded by Hawkins & Dubinsky (Palm & Handspring) would recombine into one company shortly after the book was published.
