### Technical Calculus 5th Edition

With these expectations, I thought the 272-page paperback book Technical Calculus, by Gary, Trefzger and Ewen, would be a simple treatment of introductory calculus. Instead, I found the paperback edition of Technical Calculus to miss the mark. Its first shortcoming is in its very title. It is actually an advanced continuation course in calculus.

### Technical Calculus with Analytic Geometry 5th edition ...

Written for today's technology student, technical calculus with analytic geometry prepares you for your future courses! With an emphasis on applications, this mathematics text helps you learn calculus skills that are particular to technology.
