The Originator Wars Series by Raymond L. Weil

The "spin off". Originator Wars continues on from the successful end of the Slaver War with basically the same cast of main characters and even better sub-plots. I'm not going to write much about the story per se. I don't want to spoil it for future SiFi readers, but this is the best one yet between the two series.

The Originator Wars: Conflict Unending (Audiobook) by ...

The story goes up and down and shifts sides, sometimes we observe that the situation is in favor of the eternal and sometime the situation benefits the originators. The war also takes us to a tour in space as we jump from one galaxy to the other or enter from one world to the other.

Conflict Unending was an excellent way to end the series and while its ending is moderately up-beat (but as the title suggests, the war is not really finished), there are some loose threads that I hope the author will tie up in another book (sooooo got my fingers and toes crossed 'cause I don't

really want this series to end).
