settlement architecture. The research behind this paper was motivated by the observation that experiential or sensory landscape archaeology had been largely neglected within British Iron Age archaeology and ...

Ian Lawson | Books | Saorsa - The Outer Hebrides

Spending considerable time on the Outer Hebrides and exploring other equally remote areas. I adore the beauty in remote landscapes and being based in the Highlands of Scotland, it is relatively easy for me to get wild and beautiful places. I have been photographing landscapes for 23 years since relocating to the Highlands of Scotland.

Outer Hebrides Photography Tour | The Outer Hebrides ...

Outer Hebrides. The Outer Hebrides is an island world like no other. Set on the very edge of the Atlantic Ocean, this archipelago numbers over 200 islands, reaching from Berneray in the south to Lewis in the north, many of which are populated only by thousands of seabirds.

Outer Hebrides Photography Trip | On Landscape

This brief collection of photographs is a highly curated synthesis of what the Outer Hebrides represent to me in a deeply aesthetical way. Each has a specific colour, each has its own meaning, and I can recall everything that I felt before and after pressing the shutter button.

The Outer Hebrides Landscapes In

Lying off the north-west coast of Scotland, the Outer Hebrides are exposed to the extremes of the element. Wind, rain and waves batter the coasts and, every year, small changes can be seen in the landscape. But, over millions of years, the landscapes of the Outer Hebrides have seen dramatic changes.

Isle Of Harris Photography Workshop | Outer Hebrides

The Outer Hebrides are a group of 15 inhabited and hundreds of uninhabited islands off the North-Western coast of Scotland. From Barra Head in the South to the Butt of Lewis in the north, it is approximately 130 miles and although many of the southern islands are now joined by road, it still requires two ferry journeys to travel the islands from top to bottom.

Re-Engaging with the Iron Age Landscapes of the Outer Hebrides

Landscape, Culture and Cloth 'I travelled to the Outer Hebrides to gain a deeper understanding of these ancient islands. Losing myself in the elements, I found a place abounding with life and deeply entwined in the age-old art of weaving Harris Tweed.

The Outer Hebrides

A chance perusal of Lizzie Shepherd's website in 2018 had me quickly booked for a return visit to one of the most beautiful places on earth. I am not usually one for hyperbole but there are few places that stir up the emotions more than a visit to the Outer Hebrides (also known as the Western Isles), a 200km chain of islands lying a mere 20 miles off the north west tip of Skye in Scotland.
