### Theory of War by Joan Brady - Goodreads

The history of the Cold War is voluminous. Historians needed a way of classifying and organizing all of the varying interpretations since 1945. They were able to do this by regrouping information into four schools of thought: realism, traditionalism, revisionism, and post-revisionism.

### Just War Theory | Internet Encyclopedia of Philosophy

Just war theory is a doctrine, also referred to as a tradition, of military ethics studied by military leaders, theologians, ethicists and policy makers. The purpose of the doctrine is to ensure war is morally justifiable through a series of criteria, all of which must be met for a war to be considered just. The criteria are split into two groups: "right to go to war" and "right conduct in war". The first concerns the morality of going to war, and the second the moral conduct within war. Recentl

### War (Stanford Encyclopedia of Philosophy)

Postwar definition is - occurring or existing after a war; especially : occurring or existing after World War II.

### International Relations Theory and the End of the Cold War

Contemporary just war theory is dominated by two camps: traditionalist and revisionist. [ 3 ] The traditionalists might as readily be called legalists. Their views on the morality of war are substantially led by international law, especially the law of armed conflict. They aim to provide those laws with morally defensible foundations.

### Theory of the Post-War Periods: Peter Sloterdijk ...

The post war R stands out as the one model there is the least amount of consensus on whether it's a plus or minus, but back at the time it was born of a perceived need to fill a perceived gap in the lineup. It's an interesting piece of Savage history. I've never had any desire to own one. It's outside of their market niche.

The post-war displacement of Keynesianism was a series of events which from mostly unobserved beginnings in the late 1940s, had by the early 1980s led to the replacement of Keynesian economics as the leading theoretical influence on economic life in the developed world. Similarly, the allied discipline known as Development economics was largely displaced as the guiding influence on economic policies adopted by developing nations. The displacement of Keynesian thinking was driven by those who lea
